

# Mirage Plus Sensor Recycler 30+15+15 litres, EKO

A stylish sensor waste bin for waste separation from brushed stainless steel with a fingerprint proof coating. An ideal stacked design waste separator for optimum space saving. The lid gives access to a spacious compartment with a plastic inner bucket of 30 liters and also a compartment with an inner bucket of 15 liters. Below is a compartment with a 15-liter inner bucket that is easily accessible through the pull-out drawer. The sensor mechanism ensures hygienic use and silently closes the lid. The waste bags are easy to change due to the removable lid. Operates on 6 AA batteries (not included).
