

# CLEAN & GO

## ALL-PURPOSE GRABBER CM.100

Product code. 00008760

Made initially to solve the serious problems faced by ecological operators in cleaning up parks and public gardens where drug use is rife, this syringe collector, with its 90 cm arm, has subsequently been used for other purposes, such as collecting bottles and broken glass, removing plastic from urinals and taking down boxes from shelves. The two ends are closed by operating the lever on the handle and are rubber-lined so that items can be gripped better.

### TECHNICAL DATA

Size (WxDxH cm)	1008 x 160 x 76
Material	Aluminium/plastic
Unit Net Weight (kg)	0,25
Gross Weight Package (kg)	3
Volume Package (m3)	0,045

Package (pcs)	10 pieces
