

## Semi-professional Washer MC2C-150/650 XT EU - 16A

### Description

The MC 2C range is perfect for routine low-intensity tasks. These high-pressure units are easy to use and store. The MC 2C delivers excellent cleaning performance, ergonomic design, and powerful washing capability.

The MC 2C is a semi-professional washer that combines ergonomics, high performance, and great efficiency for superior cleaning. The various models in this range are designed for daily use in the construction, commercial, and rental sectors.

- Powerful detergent application with universal foam sprayer – easy to use;
- The 4-in-1 nozzle ensures easy switching between nozzles: always the right nozzle for every task and cleaning application;
- New hose guide and reel for quicker start and finish: easy one-hand winding and protected hose storage;
- The Ergo 2000 spray gun and ergonomic accessory concept improve handling and reduce strain;
- Easy transport and storage (wheels, telescopic handle, lifting bar);
