

ALL-IN-ONE set of hand dryer, soap dispenser and tap

Description

- Integrated wall-mounted hand washing and drying unit, consisting of three elements: automatic hand dryer, automatic water tap and automatic soap dispenser.
- Preventing splashes saves time and space.
- Elegant design with a glossy finish and great functionality.
- The sink must have a depth of at least 120mm, with vertical walls and edges that are not excessively rounded to avoid splashes.

Automatic hand dryer:

- Fixed to the wall.
- Dry your hands in just 10 seconds.
- Speeds of up to 400 km/h.
