

Magic Line 410 Safety Trolley Grey

Description

- Closed trolley with 2 storage compartments.
- Modular multipurpose trolley in polypropylene with accessories to meet all your cleaning needs.
- Ideal for transporting tools.
- Ecological: made entirely of polypropylene, stainless steel, robust and fully recyclable.
- PSV certified recycled plastic components - Second Life Plastic.
- Hygienic: the plastic shelves separate the trolley modules, preventing contamination between the washing, storage and waste collection areas.
- Robust: polypropylene, naturally rust-resistant and elastic, guarantees shockproof performance.
- Modular: components and accessories allow the trolley to be customized for every need, making it easy to upgrade or repair at any time.
- Easy maintenance: the smooth surfaces and absence of cavities make it easy to clean and guarantee a high level of hygiene.
