

Dyson Airblade Wash+Dry Short Hand Dryer WD04

Description

- Airblade hand drying technology at the tap.
- 14-second drying time.
- Taps: Brushed stainless steel
- Users spend less time in the washroom, making it easier to navigate during peak periods.
- Hygienic performance with HEPA filter.
- 76% lower cost of ownership than other hand dryers: Up to 98% less expensive than paper towels and up to 79% lower CO2 emissions. This provides a better environment in the washroom and the outside world.
- Airblade technology: HEPA-purified air is forced at 550 km/h through 0.55 mm-wide openings, removing water from hands quickly and hygienically.
