[Housekeeping Cart MagicArt Anthea 22 Safety Anonymous](#)

- Discrete: thanks to lids that close slowly and quietly, and rubber wheels that ensure silent movement.
- Shock resistant: polypropylene, naturally rustproof and flexible, guarantees shockproof performance.
- Shockproof: with rubber shock absorbers that provide shock-resistant movement.
- Ergonomic: the bag holder allows removal of the bag without lifting it, preventing strain and back fatigue.
- Modular: components and accessories allow customizing the cart for every need, facilitating upgrades or repairs at any time.
- Greater safety: key system to securely manage the cart.
- Hygienic: plastic frames clearly separate the cart modules, preventing cross-contamination between washing, storage, and waste collection areas.
- Easy maintenance: smooth surfaces and absence of cavities make cleaning easier and ensure a high level of hygiene.
- Customizable: cart panels can be personalized with decorative, advertising, or cleaning company logos to turn the cart into a communication tool.
