

Recycling bin 2x40L White/Bamboo

Description

- Recycling bins can be divided into **2, 3 or even 4 compartments.**
- Capacity: **2 separators of 40L each.**
- You can combine or divide the different garbage cans at any time. If your waste streams change, simply adjust your recycling bin.
- If a new waste stream is added, you don't need to buy a new ecopoint, just make a small investment, such as in a divider or an internal container.
- Suitable for any work environment, offices, schools, health facilities.
- **Colors:** white body + bamboo lid
 - **Other options:** black body + bamboo lid.
 - **Check price:** white body + white lid; black body + black lid
