

Rectangular Stainless Steel Laundry Cart 200L

Description

Laundry transport and organization with maximum efficiency and durability.

- This rectangular laundry cart was designed for intensive use in hotels, laundries, and accommodation facilities that require robust and practical solutions for handling large volumes of laundry.
- Made of 201 stainless steel with 32 mm tubes and 0.8 mm thickness, it ensures high durability even in demanding environments.
- It includes a large-capacity removable blue bag, ideal for collecting, transporting, or storing laundry with ease.
- Equipped with two fixed wheels and two 360° swivel 4" wheels, it offers smooth, stable mobility and easy maneuvering, even in tight spaces.
- The cart is supplied fully assembled and ready for immediate use.
