

Grey Portable Travel Crib for Hotel

Description

The portable travel crib is a practical and safe solution for hotel rooms and local accommodations that welcome families with babies. With a **foldable structure, it allows for quick assembly and disassembly**, as well as easy transport between rooms, ensuring comfort for both the accommodation and the guests.

- The light and compact structure allows the baby travel crib to be moved easily, keeping the baby under supervision. The double safety lock system provides greater stability and protection during use.
- With interior dimensions of 120 x 60 cm, it offers a comfortable space for the child to rest.
- **The mesh sides ensure proper ventilation and visibility.**
- The set **includes a padded base and carrying bag**, ideal for easy storage or transport.
