

White Melamine Water Ashtray ECO

Description

Keep your spaces clean and safe with the white melamine water ashtray, ideal for both indoor and outdoor environments. With a compact (10.5 x 4.5 cm) and modern design, this ashtray is perfect for terraces, building entrances, smoking areas, hotels, cafés, restaurants, and guesthouses.

- Made of heat-resistant melamine, the ashtray features a compartment that allows water to be added, making it easy to quickly extinguish cigarette butts while reducing unpleasant odors. This functionality enhances fire safety while providing practical and hygienic maintenance.
- Its discreet white finish easily adapts to any décor, ensuring elegance and functionality in any professional or domestic setting.
- Key features:
 - Material: High-resistance melamine;
 - Color: White;
 - Also available in black: [CB2628ECO](#);
