

11L Wall-Mounted Brushed Stainless Steel Bin

Description

Resistant and discreet design for public and professional spaces.

- The brushed stainless steel wall-mounted bin with 11-liter capacity is a practical and hygienic solution for waste collection in indoor spaces. With simple installation using two wall-mounting points, it helps keep areas clean and organized without taking up floor space.
- Made of 0.8 mm stainless steel sheet, it offers durability, strength, and an elegant finish suitable for professional environments.
- The stain-resistant treatment on contact areas makes daily maintenance easier.
- Key features:
 - Material: stainless steel sheet, 0.8 mm thickness;
 - Finish: Brushed;
 - Capacity: 11 liters;
 - Dimensions: 285 x 330 x 119 mm (height x length x width);
