

## Sand Faux Leather Ice Bucket with Tongs

### Description

The ice bucket is an essential piece for your bar, hotel room welcome kit, or reception area. With an elegant sand color design, this bucket is ideal for keeping drinks fresh and readily available.

Crafted from faux leather, the ice bucket combines durability and style, adding a sophisticated touch to your space. Its dimensions of **180 x 140 x 140 mm** make it compact and easy to add to any tray, while the included tongs ensure guests can serve themselves with ease.

Invest in the quality and design of the ice bucket to elevate your guests' experience. Whether in a hotel, hostel, or any setting that values presentation and service, this bucket is the perfect choice for those seeking excellence.

Don't miss the opportunity to acquire an accessory that harmoniously combines functionality and aesthetics.
