**The great highlight is its folding system:** it opens and closes in seconds, with no need for disassembly. The **black wheels with brake** ensure safe mobility and total control during use.

Made from beechwood sourced from sustainable forests in Poland, it features a fine finish with eco-friendly transparent paint that ensures durability and environmental respect.

The set includes all necessary screws (60 mm x 6 mm) accompanied by its own Allen key, ensuring quick and secure assembly.

The crib complies with **BS EN 716-1 and 2:2017 standards.**

Recommended for mattresses with a standard size of 120 x 60 x 10 cm, this model combines functionality with elegant design, making it an indispensable choice for the hotel sector concerned with offering superior quality to their infant clients. **Mattress not included.**
