

Thermoelectric Retro Minibar 40L

Description

Discover the perfect solution to keep drinks and snacks always fresh with this 40L Retro thermoelectric minibar, ideal for hotels, local accommodations and resorts that value functionality combined with a classic design.

With **dimensions of 56 x 40 x 45 cm (height x width x length)**, this equipment offers a spacious **40-liter** interior, allowing a variety of products to be stored in an organized manner thanks to its internal trays and the two shelves on the door.

The automatic defrost system ensures practicality and simplified maintenance, while the internal lighting makes it easy to view the contents at any time. Equipped with adjustable feet and a reversible door, it adapts easily to different spaces and needs.

With an energy efficiency classified as E, **it operates silently (0 dB), without noise**, providing absolute comfort for guests.
