

Tabletop Ironing Board (IB0009)

Description

The tabletop ironing board IB0009 is the ideal solution for hotels, local accommodations, Airbnb, spas and resorts that seek a practical, compact and efficient option to facilitate garment care for their guests.

With a slim and lightweight design, this ironing board is easy to transport and handle, ensuring comfort and convenience in any space. Its foldable legs allow quick opening and closing, optimizing storage even in wardrobes or areas with limited space.

The **heat resistant aluminized cover** reflects heat, ensuring safe, fast and effective ironing, and also preventing stains caused by heat. For greater stability and floor protection, the board includes non slip rubber feet that prevent scratches and slipping.

With compact dimensions, **when open it measures 77.2**
