

Hotel Minibar Glass Door 40L 0dB Silent Thermoelectric

Description

The 40 liter minibar with glass door is an elegant and functional choice for hotels, local accommodations and tourist apartments that seek to offer greater comfort to guests.

With black finish and modern design, the glass door allows easy visibility of the interior, enhancing the presentation of beverages and snacks available in the room.

This model uses **thermoelectric refrigeration with Peltier technology**, ensuring efficient and silent operation, ideal for environments where guest rest is a priority.

- **Main features:**

- Capacity: 40 liters
- Finish: Black
- Door: Glass
