

Healthcare 1010 - Trolley

Description

- TTS has improved the concept of professional cleaning for the washing and disinfection of environments with high bacteriological risks (hospitals, clinics, rest homes, surgeries) thanks to use of pre-treated microfibre cloths together with specific trol Green Healthcare • 1010, rustproof, multi-purpose trolley, in composed with a big plastic base with Ø 100 mm wheels.
- The steel structure is painted in Rilsan, the double 70-litre bag-holder makes it easier to keep different types of rubbish separate.
- The buckets are fixed to a Rilsan trolley for an easy carrying of dirty mops into the laundry, without doing any effort.
- Two plates can be slotted into the short sides of the trolley for future personalisation.
