

Dark Metal Wall Hook Verona Series

Description

Wall hook in AISI 304 stainless steel with dark metal finish (gun metal), ideal for bathrooms, changing rooms and public spaces that require resistance and durability.

With concealed wall fixing, it ensures a discreet and professional finish, being supplied with screws for simple and secure installation.

Manufactured in high quality stainless steel, it offers excellent resistance to corrosion and intensive use, maintaining its appearance over time.

Also available in black finish ([N16871N](#)), brushed stainless steel finish ([N16871S](#)), polished stainless steel ([N16871B](#)) and brushed gold finish ([N16871G](#)).

Dimensions: 45.5 x 25.3 x 43.6 mm (height x width x depth)
