

Broom Flo

Description

- Broom "Flo", light and manageable thanks to its 94 cm iron handle, which allows to use it with just one hand.
- It is a perfect match for the dust-pan Clip to which it can be fastened with the adjustable handle support.
- The angle of the bristles makes it easy to reach those difficult-to-clean corners and narrow spaces.
- The hair remains in good shape if the broom is used and stored properly.
