

Description

Transform the organization of your space with this luggage rack made of exotic wood, ideal for hotels, local accommodations, and hospitality establishments that seek to combine functionality and style.

With a black finish, it offers resistance to water and bacteria, ensuring durability and hygiene even in the most demanding environments.

Designed to **support up to 60 kg** thanks to its four high-resistance straps, it is perfect for safely and conveniently holding luggage.

Its **dimensions of 63 x 55 x 55,5 cm (length x width x height)** allow easy installation in different areas without compromising guest comfort. This luggage rack stands out for its intelligent design that prevents direct contact between luggage and the wall, avoiding unwanted marks and dirt.

Folded dimensions: **63 x 4.5 x 76.5 cm (length x width x height)**.

Also known as a luggage stand or suitcase rack, this product combines sophisticated design with the robustness required for constant use. In addition, it comes with a **2-year warranty** for complete peace of mind in the investment.
