

Description

The Dust 180L laundry cart was developed for efficient collection of dirty laundry in hotels, hospitals and laundries. With a robust structure and high capacity bag, it is a practical solution for professional environments with high turnover.

- **Material and construction**

- Structure in highly resistant chromed steel;
- Robust construction prepared for intensive use;
- Functional design with bag holder.

- **Advantages**

- Ergonomic: bag holder system that allows extraction without lifting, reducing physical effort and the risk of injuries.

- **Mobility and capacity**

- Equipped with Ø80 mm wheels for easy movement;
- Wheels with threadguards that prevent accumulation of debris;
- Coated bag with 180 L capacity.

- **Functionality**

- Stable bag holder system for efficient laundry collection;
- Suitable for different service areas.
- Capacity of 180 L.

Ensure more efficient and organized laundry collection with a robust cart designed for intensive professional use.
