

Description

- Organize and promote sustainability in your hotel or office with the Black Recycling Bin.
- With a compact and elegant design, this black recycling bin includes **three removable compartments** of **3.3 liters** each.
- Perfect for **selective waste separation** in hotel rooms, offices, or workspaces.
- **Features:**
 - Black bin with three color-coded compartments.
 - Black galvanized steel body with epoxy coating, corrosion-resistant and easy to integrate into modern hospitality environments.
 - Efficient waste separation: easy to empty thanks to integrated handles on each compartment.
 - Rubber pads at the base to protect flooring.
- Intuitive waste identification: includes 6 stickers to indicate waste type (paper, plastic, organic, etc.)
- **Weight:** 2.9 kg
- **Capacity:** 3 x 3.3 L
- **Dimensions:** Ø25.5 x 30 cm (Diameter x Height)
-

Cleaning instructions: Clean with a soft cloth or brush using only mild soap and warm water. Avoid aggressive chemicals, salt water, impacts, or stagnant water inside the liners, as these can reduce the product's lifespan.

Warranty: 1 year
