

## Description

---

GHIBLI 30 E 45 represents something unique in the cleaning market. First of all, the new design, which makes the GIBLI 30 E 45 a masterpiece of aesthetics and ergonomics. Next, the 30-liter tank capacity, and above all, a complete set of solutions that make the GIBLI 30 E 45 suitable for any environment and surface:

- 2 closed swivel wheels for the main axle wheels, for maneuverability and maximum control
- Compact squeegee: Only 65 cm, adjustable, for excellent drying results.
- A complete set of filters to protect the main components and give the GIBLI 30 E 45 maximum reliability.

It's a perfect blend of modern, functional aesthetics and high technology, to accomplish any cleaning task in small and medium-sized areas faster and better.

Now even more reliable thanks to the new touch sensor system. GIBLI 30 E 45 can be moved and controlled using just the thumb: intuitive, user-friendly and reliable. GIBLI 30 E 45 is the electric version, with a standard 15-meter cable.
