

Description

Ergonomic relief in industrial workplaces

Kleen-Komfort Standard is a durable rubber mat that provides excellent traction and fatigue relief for your muscles and joints at the same time. The cushioned inner construction promotes excellent anti-fatigue properties and its surface texture and low profile edges convey a better grip and reduced risk of slip or trip accident in the workplace.

In addition to the Standard model, the "Kleen-Komfort Safety" is designed to highlight potential hazards where the mat is placed. Bright yellow rubber borders draw the eyes attention and increase awareness of dangerous areas within the industrial workplace.

Why choose Kleen-Komfort Standard:

- Anti-fatigue mat for industrial areas
- Relief for muscles and joints
- Cushioned for long standing comfort
- Low profile edges
- Vacuum clean
- Made in Europe

APPLICATIONS:

- Industrial workstations and counters
- Anywhere staff stand for long periods

MATERIALS:

- 100% nitrile rubber surface
- Foam rubber inner

- Nitrile rubber backing

OTHER SIZES: • 85 x 150 cm / 85 x 285 cm
