

Description

The Hygienic Bag Dispenser offers the right balance between aesthetic and practical use. It adapts to various environments and circumstances.

Thanks to its different finishes, it blends discreetly into any bathroom. Its use prevents the disposal of waste in the toilet. It can be mounted on the wall with double-sided adhesive or screws, saving space on the counter or shelf.

The dispenser is made of high-quality ABS material and is galvanized or painted using specially selected treatments to increase resistance to shocks, scratches and wear.

- Size: 3.5 x 10 x 2.6 cm.
- Finish: White.
- Material: ABS.
