

Description

Sophistication and functionality for luggage transport in high-end hotels.

- The luxury luggage cart with a gold dome is the ideal choice for hotels that value elegance and efficiency in front desk service.
- Made of durable brass, with a non-slip red carpet and rubber bumper around the base, it ensures safe and silent transport, preventing damage to walls or furniture during handling.
- Equipped with 2 swivel wheels and 2 fixed wheels (6" - 15 cm), it offers smooth and stable movement across different floor types.
- The top bar facilitates the transport of hangers or suspended items, while the robust structure supports heavy loads without compromising mobility.
- Key features:
 - Durable and elegant gold brass structure;
 - Non-slip red carpet on the platform;
 - Full rubber bumper on the base for impact protection;
 - Top bar for hanging hangers or light items;
 - 2 swivel wheels and 2 fixed wheels for mobility and stability;
 - Dimensions: 65 x 108 x 194 cm (W x L x H).
- Ideal applications: luxury hotels, resorts, reception areas with high luggage flow, concierge services, and internal luggage transport.
