

## Description

---

The Ecofriendly Bamboo Tray is ideal for hotels that value sustainability, elegance and functionality. With a **capacity for 32 sachets**, it features a natural and warm design, made from water-resistant bamboo that is easy to clean.

The four protective pads on the base ensure stability and protect furniture surfaces. With dimensions of **5 x 15 x 10 cm** (height x width x length) and a **2-year warranty**, it perfectly fits demanding hotel environments.

Also available in models [CB1350](#) and [CB1351](#), offering versatility for different operational and display needs.
