

Description

- The Cosmetic Cube dispenser strikes the right balance between aesthetics and practicality. Its different finishes give it versatility. It has been designed to be used in a variety of environments, whether on an office desk, in a clinic, a hotel or a spa.
- Equipped with a snap-on lid, it is compatible with most tissue boxes available on the market.
- The dispenser is made from the highest quality ABS material and is galvanized or painted using specially selected treatments to increase resistance to shocks, scratches and wear.
- Facial tissue dispenser.
- Color: Matt black
- Made of ABS.
- Dimensions: 135 x 135 x 130
- Range: Orchestra.
