

Description

The 150L Round Stainless Steel Recycling Bin with 3 Compartments is the ideal solution for selective recycling in outdoor urban areas, businesses, condominiums, schools, gardens, and public spaces.

- Manufactured in Portugal, this robust and rain-resistant outdoor recycling bin features three separate openings for efficient sorting of glass, paper, and plastic, promoting practical and hygienic selective waste collection outdoors.
- With a 150-liter capacity and modern design, it fits perfectly in urban environments and companies looking for a durable outdoor recycling container.
- The stainless steel construction ensures resistance, making it ideal for streets, gardens, and high-traffic areas.
- Features:
 - Round recycling bin with 3 compartments for selective recycling
 - Material: stainless steel
 - Capacity: 150L
 - Weight: 13Kg
 - Dimensions: 50 x 80cm (circumference x height)
 - Made in Portugal
 - Sticker for recycling bin identification included

This outdoor recycling bin combines functionality, aesthetics, and sustainability, facilitating waste management in any space.
