

Description

With generous **dimensions of 86 x 52 x 52 cm and an approximate capacity of 230 liters**, it offers ample space to store large volumes, facilitating transport between different hotel areas.

Made of resistant and durable beige material, it ensures long-lasting use even under the most demanding conditions of the hotel environment. Also available in blue version ([CB2779](#)).

The square design allows a perfect fit in the [CB2789](#) laundry cart, optimizing the available space and maximizing space efficiency and stability during transport.

This accessory combines functionality with the robustness required to maintain the quality of your hotel's services, ensuring an efficient flow in the linen collection and delivery process. Ideal for directors and purchasing professionals who value practical and reliable solutions for internal management of establishments.
