

Description

**Installation manual and instructions included on the unit in Portuguese.
Delivery within 24/48h with free shipping to mainland Portugal.**

Provide maximum comfort and safety for families visiting your establishment with the CB2003 horizontal wall mounted baby changing station, the ideal solution for high traffic environments such as hotels, restaurants, shopping centers and airports.

This unit features a structure manufactured with an **advanced antibacterial agent** that inhibits the growth of bacteria and odors, significantly reducing the risk of cross contamination in public environments.

With an ergonomic and intuitive design, this wall mounted changing station allows extremely simple operation and can be opened and closed with one hand, making it easier for parents during use. For added convenience, it includes two built in hooks for hanging bags, keeping belongings accessible and off the floor.

- **Safety and use**
 - Adjustable safety strap with easy use;
 - One hand opening and closing system;
 - Designed for babies up to 3 years or 15 kg;
 - Tested and certified according to EN 12221-1:2008+A1:2013.
- **Installation**
 - Horizontal wall mounting;
 - Instruction manual included on the unit in Portuguese, Spanish, English, French, Italian and German.
- **Dimensions**
 - Open: 88 x 58 x 58 cm (width x height x depth);
