

Description

- Price per m2.
- Minimum billing 1 m2. It may consist of several mats.
- All measurements have a tolerance of $\pm 5\%$.

Invest in your customised Jet-Print Light mat! With a nitrile rubber base, the mat is extremely durable and of superior quality!

Main Features:

- High-twist nylon surface efficiently retains dirt and moisture from shoe soles;
- The nitrile rubber base ensures high resistance and is non-slip;
- With digital printing, it reproduces details in high quality, shadows and allows the application of up to 8 colours per mat, from the 44 colours available;
- Reinforced and recessed edges that help prevent accidents;
- Resistant to stains and fading;
- 100% washable and resistant to industrial washing.
- 2-year warranty.
- Manufactured in Europe.

Usage Recommendations:

- High-traffic entrance areas, workstations and intersections, and areas that require a customised mat. Customisation can include the printing of a logo or a message.
- Indoor and outdoor use (provided it is protected by a covered area).

Standard sizes: 60 cm, 75 cm, 85 cm, 115 cm, 150 cm and 200 cm. Only one side, width or length,

needs to have one of these measurements.

- If none of the sides has a standard measurement, an additional 25% is added to the price.
- Maximum length up to 700 cm.
- Maximum width up to 200 cm.
- Height: approx. 7 mm; rubber border area: 2 mm.

Round Mat Option:

1. Simulate a square model within standard sizes (e.g. 2 x 2 m)
2. With border, add 50% to the price
3. Without border, add 30% to the price
4. Outside standard sizes, add 25% to the price

*Price per m2 for mats with regular dimensions and right angles. For other cases, please contact us.
