

## Description

- 100% rubber embossed entrance mat.
- Strong and durable entrance mat, perfect for outdoor use.
- Designed to scrape heavy soil, mud, dirt, snow, gravel and much more off boots and shoes before they enter the building, and after just a simple hose-down with clean water it's ready for continuous operation.
- Resistance to oil and chemicals makes Kleen-Scrape matting particularly suitable for industrial applications.
- 100% nitrile rubber mat for many applications.
- Use anywhere, inside or outside.
- Resistant to oil and chemicals.
- Anti-slip.
- 5-year guarantee.
- Made in Europe.
- Washable up to 60 °C
- Dryer up to 60 °C
