

Description

- Optimize waste separation in your hotel, office, or local accommodation with the Stainless Steel Recycling Bin with 3 removable 3.3L compartments.
- This compact and elegant selective waste solution, with a total capacity of 13 liters, is ideal for placing next to desks, hotel rooms, or small professional common areas.
- Made of satin stainless steel, this recycling bin offers durability, strength, and a modern finish, perfectly matching sophisticated and sustainable environments.
- The 3 removable color compartments allow practical and hygienic separation of small recyclable waste such as paper, plastic, and general waste.
- Easy to clean, lightweight (2.9 kg), and highly functional in eco-friendly spaces.
- **Main features:**
 - Total capacity: 13 liters (3 x 3.3L)
 - Material: Stainless steel
 - 3 removable compartments in black, yellow, and blue
 - Includes 6 pictogram stickers for waste identification, applied to internal handles for easy sorting
 - Dimensions: 25.5 cm (diameter) x 30 cm (height)
 - Weight: 2.9 kg
 - Warranty: 1 year

Implement efficient and elegant waste management with this compact stainless steel recycling bin.
