

Description

The Green Hotel 876 housekeeping trolley was developed for cleaning operations in hotels with high workload, offering a practical and efficient solution for linen collection and transport. With two included bags and an open structure, it is suitable for servicing 15 to 18 rooms.

- **Material and construction**
 - Steel structure with Rilsan coating for corrosion protection;
 - Polypropylene components, resistant and recyclable;
 - Robust construction designed for intensive use.
- **Advantages**
 - Shock-resistant: polypropylene with high elasticity and durability;
 - High durability: Rilsan coating extends product lifespan;
 - Modular: adaptable system for different operational needs;
 - Time-saving: foldable bag holders streamline operations;
 - Easy maintenance: smooth surfaces without cavities;
 - Customizable: possibility to add labels with identification or logo;
 - Eco-friendly: recyclable and durable components.
- **Functionality and mobility**
 - Equipped with 2 self-supporting 90 L bags;
 - Foldable bag holder system for greater efficiency;
 - Open structure for quick access to materials;
 - Base with Ø130 mm wheels and bumpers for protection and stability;
 - Suitable for transporting linen in professional environments.
- Recommended for service of 15 to 18 rooms;
- **Bags included.**
- **Trolley composition**
 - 2 self-supporting 90 L bags;
 - Stainless steel bar;
 - Steel structure with Rilsan coating;
 - 90 L bag holders;
 - Base 105 x 55 cm with wheels and bumpers Ø130 mm.
- **Dimensions**
 - Bag holder open: 155 x 55 x 129 cm (length x width x height);

- Bag holder closed: 113 x 55 x 140 cm (length x width x height).
- **The trolley is delivered disassembled in its original box. If you wish to receive it assembled, please contact us.**
 - Weight: 26.93 kg;
 - Box volume: 0.268 m³.

Improve efficiency in linen collection and transport with a robust, functional solution designed for intensive professional use.
