

Description

- Round waste bin made of brushed stainless steel with an open top.
- Equipped with two plastic inner buckets (2x 5 liters)
- Fingerprint proof coating.
- By removing the loose top, the waste bag is easy to change and the waste bag stays neatly out of sight.
- The rubber caps on the bottom protect and keep the waste bin in place. Stylish under a desk.
- Dimensions: 24 x 33.5cm (Diameter x Height)
