

Description

The Magic Hotel 890 Safety housekeeping trolley was developed for hotel cleaning operations requiring high capacity, organization and security for transporting linen and consumables. Featuring a closed compartment and foldable bag holders, it is recommended for servicing 8 to 10 rooms.

- **Material and construction**

- Resistant polypropylene structure, fully recyclable;
- Robust material, impact-resistant and rustproof;
- Components made from PSV-certified recycled plastic – Plastic Second Life;
- Solid construction designed for intensive use.

- **Advantages**

- Hygienic: module separation helps avoid cross-contamination between areas;
- Shock-resistant: polypropylene with high elasticity and durability;
- Modular: adaptable system for different operational needs;
- Easy maintenance: smooth surfaces without cavities for easier cleaning;
- Ergonomic: bag holder system allows effortless bag removal;
- Security: lockable doors for greater control and protection;
- Silent: equipped with SHHUT system for soft and quiet closing;
- Customizable: panels prepared for branding or communication graphics;
- Eco-friendly: fully recyclable structure with controlled carbon footprint.

- **Functionality and organization**

- Closed compartment with side-opening doors;
- 2 foldable bag holders with 120 L capacity each;
- Shelf with locking system for improved stability;
- Fixed side panels for greater visual discretion;
- Structure suitable for transporting linen and cleaning materials.

- **Mobility**

- Base with high-flow Ø125 mm rubber wheels;
- Equipped with wheel protectors for enhanced protection in professional environments;
- Smooth and silent movement.

- **Capacity**

- Recommended for servicing 8 to 10 rooms;
- Bag and lid optional, not included in the price, sold separately (Bag [T3650](#), [T3646](#), [T3628](#)) and (lid

[T70326](#)).

- **Trolley composition**
 - Large shelf with steel reinforcement and locking system;
 - Central tray kit with male/female and female/female connectors;
 - 2 bag holder plates: 48 x 32 x 7 cm;
 - 2 foldable 120 L bag holders;
 - 91 x 52 cm base with Ø125 mm rubber wheels;
 - Fixed side panels;
 - Lockable side doors with left and right opening;
 - Modular polypropylene structure.
- **Dimensions:** 177 x 58 x 107 cm (length x width x height);
- **Dimensions with folded bag holders:** 115 x 58 x 151 cm (length x width x height).
 - The trolley is supplied disassembled in its original box. If you wish to receive it assembled, please contact us.

Optimize housekeeping organization and efficiency with a silent, secure solution designed for intensive professional use.
