

Description

The MagicArt 22 Safety housekeeping trolley was developed for cleaning operations in hotels that require high capacity, organization and discretion. With a closed structure and two bag holders, it allows efficient management of linen collection and separation for service of 8 to 10 rooms.

- **Material and construction**

- Structure in resistant polypropylene, fully recyclable;
- Robust material, impact-resistant and rustproof;
- Solid construction with high storage capacity.

- **Advantages**

- Elegant: modern design that enhances the image of the space;
- Discreet: silent operation thanks to rubber wheels and soft closing system;
- Shock-resistant: polypropylene with high durability;
- Additional protection: equipped with bumpers to prevent damage;
- Ergonomic: bag holder system allows extraction without effort;
- Modular: adaptable configuration for different needs;
- Safety: lockable doors for access control;
- Hygienic: separation of modules prevents contamination;
- Easy maintenance: smooth surfaces without cavities;
- Customizable: panels prepared for branding or communication;
- Eco-friendly: production with recyclable materials and carbon footprint control.

- **Functionality and organization**

- Closed compartment with doors and key;
- 2 foldable bag holders with 120 L capacity each;
- Fixed shelf and removable shelf for internal organization;
- Ideal system for transporting and separating linen and materials;
- Structure designed for demanding professional environments.

- **Mobility**

- Base with Ø125 mm rubber wheels for smooth and silent movement;
- Equipped with bumpers to protect walls and furniture.
- Capacity: recommended for service of 8 to 10 rooms;

- **Bag and lid optional, not included in the price, sold separately** (bag [T3650](#), [T3646](#), [T3628](#))
e (lid [T70326](#)).
