

## Description

- Aluminum telescopic handle with hole and thread adapter, made up of 3 parts.
- The initial end is made of rubber to make it easier to handle, while the other end has a universal coupling, with a European standard thread, which connects to all utensils for cleaning windows and ceilings.
- Long life: stainless steel material guarantees a long product life.
- Ergonomic: reduces operator strain and prevents hand pain.
- Lampo allows cleaning equipment to be attached instantly and removed just as quickly.
- Lampo keeps the equipment firmly fixed during use, preventing accidental disengagement.
- Lightweight.
- Telescopic handle ideal for reaching heights.
- Ideal for outdoor cleaning.
- Length: 3 x 200 cm.
