

Description

- Wall-mounted industrial toilet roll holder in stainless steel.
- Front-loading system.
- Durable and corrosion-resistant.
- Includes lock and security key.
- Wall installation with screws located at the base of the roll holder (included).
- Material: AISI 304 stainless steel.
- Finish: Black.
- Equipped with an inertia-based anti-rotation retainer.
- Suitable for industrial rolls of 250–300 m.
- Maximum roll diameter: 230 mm.
- Spindle diameter: Ø40 mm.
- Dimensions: 268 x 258 x 115 mm (Height x Width x Depth).
- Maintenance: Stainless steel requires regular cleaning, as accumulated dirt over time may damage the chromium (Cr) content.
- We recommend monthly cleaning with a stainless-steel-specific product.
- Also available in brushed finish ([N5006S](#)).
