

Description

Basic disposable non-woven slippers are the practical and hygienic choice for spas, hotels, and accommodations that value their clients' comfort.

- With a closed model and white color, these single-use slippers offer protection and convenience during treatments and movement in indoor environments.
- The thin, non-slip sole ensures safety when walking, even on wet surfaces.
- With dimensions of 28x11 cm, they easily fit different foot sizes, providing a pleasant experience for each user.
- Each pair is packed in recyclable paper, promoting more sustainable and environmentally friendly practices.
- Features:
 - Box: 200 pairs
 - Dimensions: 28 x 11 cm
 - Model: closed
 - Recyclable packaging
 - Single-use (disposable) slipper

Choose basic non-woven slippers to offer your clients comfort and safety.
