

Description

- Enhance the hospitality experience at your hotel with Lule 30ml Shampoo, an essential product in any hotel amenities kit. This personal care item for hotels, presented in an individual aluminium tube with a screw cap, combines minimalist design, practicality, and hygiene—ideal for boutique hotels, resorts, and local accommodations that prioritise comfort and elegance.
- With an Orange Blossom fragrance, it blends fresh citrus notes with sweet touches, providing a sense of well-being and relaxation with every use. Perfect for complementing the hotel bath amenities kit, this shampoo adds a touch of sophistication, reinforcing your hotel's commitment to premium hospitality.
- Features:
 - Capacity: 30ml
 - Fragrance: Orange Blossom (citrus)
 - Packaging: box of 400 units.

Offer guests the best in luxury hotel amenities, creating a memorable experience and enhancing their stay with high-quality products.
