

Description

- Perfect for offering to your guests, the Lule 30ml Body Lotion Tube is an essential item in hotel amenity kits.
- This body lotion, packaged in an aluminium tube with a screw cap, ensures a modern and practical presentation, ideal for any hotel room or guest accommodation.
- With a refreshing citrus fragrance of Orange Blossom, it blends soft and sweet notes that provide a sense of well-being and relaxation, perfect for personal care moments.
- The invigorating formula hydrates and refreshes the body, complementing other bathroom products and hotel amenities such as shampoos, shower gels, and soaps.
- The brand stands out for its minimalist and elegant design, aligning with the modern aesthetic of hotels, spas, and tourist accommodations.
- **Features:**
 - Capacity: 30ml
 - Fragrance: Citrus (Orange Blossom)
 - Packaging: box with 400 units

Include this premium product in your amenity offering, enhancing the comfort and sophistication of your hotel or spa, and providing guests with a memorable experience.
