

Description

- Provide your guests with a comfortable and pleasant experience with the Noa Bio Hair Conditioner 30ml, part of the sustainable hotel amenities line. Packaged in a practical tube with a screw cap, this conditioner combines effectiveness and environmental responsibility thanks to the use of the D2W additive, which promotes rapid plastic degradation, reducing environmental impact.
- With a fresh and delicate Aloe Vera fragrance, Noa Bio Conditioner offers hydration and softness to hair, enhancing guests' personal care routine.
- Ideal for boutique hotels, resorts, and accommodations that prioritize eco-friendly products, this item reinforces your property's commitment to sustainability without compromising on quality.
- **Key features:**
 - Capacity: 30ml
 - Fragrance: Aloe Vera
 - Sustainable packaging with D2W additive for fast plastic degradation
 - Box of 400 units

Invest in eco-friendly hotel amenities, combining minimalist design, functionality, and respect for the environment with Noa Bio Conditioner.
