

Description

- Price per m2.
- Minimum invoice 1 M2. Can be made up of several mats.
- All measurements have a tolerance of $\pm 5\%$.
- Invest in your own personalized rug with the design of your choice! Imagination has no limits!
- Based on nitrile rubber, the mat is extremely durable and of superior quality!

Main qualities:

- High-traction nylon surface is effective at retaining dirt and moisture from shoe soles.
- Nitrile rubber base ensures high resistance and anti-slip.
- Digital printing reproduces high-quality details, shades and allows up to 8 colors to be applied per mat, out of the +60 colors available.
- It has reinforced and recessed edges that prevent accidents.
- Resistant to stains and fading.
- 100% washable and resistant to industrial washing.
- 2-year guarantee.
- Made in Europe.
- Recommendations for use:
 - High-traffic entrance areas, workstations and intersections or areas that need a personalized mat. Personalization can be by printing a logo, a message, etc.
 - Internal and external use (provided it is protected by a covered area).

Standard sizes:

- Widths: 60 cm, 75 cm, 85 cm, 115 cm, 150 cm and 200 cm. All that is required is that 1 of the sides, width or length, has one of these measurements
- Other widths add 25% to the price.
- Maximum length up to 700 cm.
- Maximum width up to 200 cm
- Height: +-9 mm

*Price per m2 for carpets with regular dimensions and right angles; for other situations, please contact us.
