

## Description

Organize your space with the Magnetic Hair Dryer Holder, designed for practicality and elegance.

- This kit includes two individual holders, one for the dryer and another for the nozzle, both featuring an elegant dark gray finish that matches any bathroom.
- With a magnetic attachment system, the holder can be easily attached to the wall without the need for drilling or tools.
- The magnet ensures a secure connection with both the hair dryer and the nozzle, keeping accessories always at hand and safe.
- Compatible with the High-Speed 1600W IONIC Hair Dryer (Ref.: [CB2122](#)), this holder stands out for its durability, modern design, and easy installation, making it essential for those who value organization and efficiency.
- Hair dryer and nozzle not included.
