

## Description

- **The accessories from the NOA BIO collection are wrapped in Stone Paper, a recycled paper derived from stone, which reduces environmental impact.**
- **Easy Opening:** The paper packaging is designed for easy opening, providing convenience in daily use.
- **Eco-friendly materials:** **PSM (Plastarch Material)** is a biodegradable and compostable material made primarily from vegetable starch, typically derived from sources such as corn, potato, or sugar cane. It is often used as an alternative to traditional plastics in various applications.
- **Guaranteed hygiene:** each unit comes **sealed**, ensuring that it has not been tampered with until the moment of use.
- White and neutral packaging, which conveys a feeling of cleanliness and sophistication.
- Ideal for hotels, spas, offices and establishments committed to sustainability.
- Design: functional and versatile.
- Contains 1 shower cap per package.
- Box units: 500.
