

Description

- **Turn your recycling bin into a true communication tool.**
- Customization through **magnetic wraps** or **branded stickers** allows you to adapt your bins to match your company's visual identity, making them not only functional but also representative of your brand.
- Create cohesive visual communication and highlight key messages directly at the waste separation point: promote events, advertise products or campaigns, and reinforce your brand image.
- With the magnetic wrap, you can update the look whenever you like—easily and effortlessly.
- **Compatible with:** [Globular40x2](#) ; [Globular60x3](#) and [Globular90x3](#) recycling bins.
