

Description

With a discreet and modern design, the black drinks trolley is the ideal choice for bar service, event support, or as a decorative piece in hotel entrances, hostels, and local accommodations.

- Its round metal structure with a matte black finish adds a sophisticated and professional look. Integrated wheels make it easy to move and reposition in different spaces, making it a practical and elegant solution for professional use.
- Available in black. For other colors or customization, contact us.
- Main features:
 - Dimensions: 50 x 43 x 45 cm
 - Structure: Metal tube Ø16 mm with 2 mm thickness
 - Finish: Black epoxy/polyester powder coating
 - Shelves: Ø420 mm in DC01 steel plate with 2 mm thickness
 - Mobility: Equipped with wheels for easy transport
 - Applications: Hotels, bars, accommodations, receptions, event spaces

This trolley combines durability, mobility, and elegant aesthetics, making it perfect for those seeking functionality paired with design.
